

Please share with award recipient: This gift may be taxable and as the award recipient I will receive a K1 statement no later than April of the following year in which the gift was received. The K1 statements are generated by an auditing firm but will be mailed to you directly from our Future Care Planning Services office. The K1 statement may be used for tax filing purposes. This is in accordance with the information listed on page four of the original application completed and signed when applying to the fund.
